

The New California Conservatory President's Volunteer Service Award(PVSA)

We are proud to announce that NCC has been selected and approved as an official Certifying Organization for the President's Volunteer Service Award (PVSA).

Established in 2003, the President's Volunteer Service Award (PVSA) is the premier volunteer awards program, encouraging citizens to live a life of service through presidential gratitude and national recognition. We encourage you to take a look around, be inspired and take positive action that changes the world.

Recognizing and honoring volunteers sets a standard for service, encourages a sustained commitment to civic participation, and inspires others to make service a central part of their lives. The President's Volunteer Service Award recognizes individuals, families, and groups that have achieved a certain standard – measured by the number of hours of service over a 12-month period or cumulative hours earned over the course of a lifetime.

It is an increasingly competitive world, one where college admissions directors and potential employers look beyond the grades of students to the experiences that have shaped them.

PVSA offers a unique and extraordinary experience that stands out on college applications and resumes. Whether applying for college or a job, the President's Volunteer Service Award is a strong testament to what you have achieved and who you are as an individual.

Unique to NCC Presidential Volunteer Service Award program is that upon completion of a program, most students can earn an impressive 100 hours of community service work and thus achieve the Bronze level of the President's Volunteer Service Award. U.S. citizen-students receive a personalized Certificate of Award, the official President's Volunteer Service Award lapel pin and a congratulatory letter from President Barack Obama.

NCC President's Volunteer Service Award provides youth with opportunities to develop cultural, social and intellectual skills through music, education and locally based volunteer services.

THE WHITE HOUSE
WASHINGTON

Congratulations on receiving the President's Volunteer Service Award, and thank you for helping to address the most pressing needs in your community and our country.

In my Inaugural Address, I stated that we need a new era of responsibility—a recognition on the part of every American that we have duties to ourselves, our Nation, and the world. These are duties that we do not grudgingly accept, but rather seize gladly, firm in the knowledge that there is nothing so satisfying to the spirit as giving our all to a difficult task. Your volunteer service demonstrates the kind of commitment to your community that moves America a step closer to its great promise.

Our Nation faces the most challenging economic crisis in a lifetime. We will only renew America if we all work together. Individuals, the private sector, and government must combine efforts to make real and lasting change so that each person has the opportunity to fulfill his or her potential.

While government can open more opportunities for us to serve our communities, it is up to each of us to seize these opportunities. Thank you for your devotion to service and for doing all you can to shape a better tomorrow for our great Nation.

3. You must keep a record of your hours. NCC will not keep a record for you.
4. You may count 100% of actual service hours for approved service projects sponsored or organized by NCC.
5. In all cases, volunteers receive a maximum of 8 hours credit for any 24-hour period of service, and a maximum of 45 hours credit for any 7-day period.
